# Inviting Other Users to Your Salsify Organization

Last Modified on 08/20/2019 1:12 pm EDT

1. Click on the User Menu.

2. Select **My Company**.

3. On the Users tab, click on the **Invite More People** button.

4. Click *Administrators* in the drop down menu.

5. Enter the email addresses for people you would like to invite to Salsify.

6. Click on the **Send Invitations** button.

Invite People to Salsify ✖

Enter the email addresses of anyone you'd like to invite to access your Salsify organization.

They will be added to the [Administrators ▾] group

[enter email addresses]
